

UTAC

The image shows a three-story white building with a prominent spiral staircase on the left side. The building has large windows on the upper floors and a double glass door on the ground floor. The logo 'UTAC' is printed in large, bold, blue letters on the second floor. The building is situated on a paved area, likely a racetrack, with a fence and trees visible in the background under a clear blue sky. Red and white safety barriers are visible in the foreground and middle ground.
